Dear Friends,

Thank you for showing interest and support for our society.

You are no doubt aware that our main aim is to safeguard our Mop Fair as we all know or remember it; i.e. in the streets of the town. We also continue to show our support by promoting the fair whenever possible.

Since the formation of the society in 1989, we have presented, each year at the fair, some kind of "traditional" attraction including steam showmen's engines, dancers and organs etc. Our initial aim to get the fair reinstated in Nelson Street was achieved, and once again "joins the fair" back together.

We try to arrange social evenings throughout the year with not only fairground subjects, but also items of local interest so as to ensure everyone has an enjoyable evening.

If you would like to join the society, please return the slip below. We have set a membership fee of £5.00 including badge with renewal of £2.00 payable annually in October. This primarily covers costs such as printing and postage, and we hope to produce at least one newsletter a year.

Yours Sincerely

Dave Fellows (Chairman)
